

Halloween Road Closure on Pee Dee for Trick or Treating

In order to improve safety for trick-or-treaters the City of Albemarle will be closing residential blocks of Pee Dee to thru traffic on Halloween night, Thursday, October 31st 2019, from 6pm to 9pm. Please see the map showing road closure points in orange.

Thru-Traffic – Cross traffic will be allowed on Miller, Sixth, Seventh, Ninth/Cotton and Ridge streets, but will not be allowed down Pee Dee Ave. Please find a different route around during these hours.

Residents – Thank you for your patience. If need to get in or out please use the closest cross street and place all cones or barricades back once you are through. Please drive slowly to avoid pedestrians.

Parents & Trick or Treaters – While these blocks will be pedestrian only, please pay attention to children and watch for vehicles as you normally would, especially when crossing streets with cones or barricades. If you need to park and walk with children parking is available at City lots across Pee Dee Ave from Lillian Mill, the private lot East of Lillian Mill, and at the grass lot at Morrow and Pee Dee Ave.

This is the first year the City has done this. We thank you for working with us to help improve safety and keep this a fun evening for all. Happy Halloween!!
